## EXHIBITOR GROUPS

Communication Equipment for Search and Rescue Operations  
Personal Protective Equipment (PPE) for Search and Rescue Operations

Medical Equipment for Search and Rescue Operations  
Disaster Relief Equipment for Search and Rescue Operations  
Firefighting Equipment for Search and Rescue Operations  
Flood and Water Rescue Equipment for Search and Rescue Operations

Logistics and Transport Equipment for Disaster Response  
Early Warning Systems for Disaster Preparedness  
Decontamination Equipment for Hazardous Material Incidents  
CBRN (Chemical, Biological, Radiological, and Nuclear) Detection and Protection Equipment

Incident Command Systems and Software  
Evacuation and Crowd Control Equipment  
Fire and Explosion Response Equipment  
Flood Control and Mitigation Equipment  
Sheltering and Temporary Housing Solutions

Food and Water Supply Equipment  
Transportation and Evacuation Vehicles  
Hazardous Material Handling Equipment  
Climate and Environmental Monitoring Systems  
Power and Energy Equipment

Structural and Debris Clearance Equipment  
Cyber and Digital Protection Equipment  
Post-Disaster Recovery and Reconstruction Tools  
Wildfire Suppression and Management Equipment  
Pandemic and Health Emergency Response Equipment  
Hazardous Material Transportation and Storage

Infrastructure Monitoring and Early Warning Systems  
Disaster Debris Management Tools

Disaster Simulation and Training Equipment  
Emergency Sheltering and Refugee Management  
Weather and Environmental Response Systems  
Remote Sensing and Geospatial Tools  
Tsunami and Coastal Protection Equipment

Chemical Spill and Environmental Cleanup Tools  
Advanced Surveillance and Monitoring Systems  
Psychosocial Support and Mental Health Tools  
Advanced Medical Diagnostics and Treatment Equipment

Mass Casualty Management Equipment  
Specialized Rescue Vehicles  
Accessibility and Special Needs Support Equipment  
Renewable Energy and Sustainable Solutions  
Psychological Support and Mental Health Resources

Data Analytics and Decision Support Systems  
Community Engagement and Education Tools  
Critical Infrastructure Protection Equipment  
Satellite Communication and Navigation Systems  
Advanced Robotics and Automation in Disaster Management

Underwater Search and Recovery Equipment  
Emergency Financial Systems  
Redundant Communication Networks  
Fire Suppression Systems for Urban Environments  
Personal Locator Beacons and Tracking Devices  
Structural Reinforcement and Retrofitting Tools

# TARGET AUDIENCE

## Professionals in Disaster Management

These are the core participants, comprising disaster management practitioners, first responders, and experts who actively contribute to enhancing disaster preparedness and response

## Government Officials

Policymakers, emergency response agencies, and government representatives who play a crucial role in shaping disaster management policies and practices

## Non-Governmental Organizations (NGOs)

Representatives from NGOs dedicated to disaster relief and recovery, humanitarian aid, and community resilience

## Businesses

Private sector organizations, including disaster management technology providers, infrastructure developers, and corporate leaders who engage in disaster risk reduction and recovery initiatives

## Academia

Professors, researchers, and students in the field of disaster management and resilience, bringing academic rigor and innovation to the summit

## International Partners

Representatives from international organizations and agencies with a vested interest in global disaster management and resilience efforts

## Community Leaders

Local and regional community leaders who are essential in the immediate response and recovery phases of disasters

## Technology and Innovation Experts

Professionals involved in developing and implementing innovative technologies for disaster management

## ACCOMODATION

Discover a collection of exceptional accommodation options at Dubai Festival City with

InterContinental Dubai Festival City offering an assortment of elegance and Crowne Plaza Dubai Festival City, meet warm hospitality, to unparalleled waterfront living at InterContinental Residence Suites and a vibrant welcome to work and play at the flagship Holiday Inn & Suites Dubai Festival City
